BROKER GUIDE

Welcome to the new NRG

One company, endless opportunities

Experience the top features from our family of brands under one cohesive experience.

We're NRG, part of NRG Energy, Inc., one of the nation's largest electric and gas retailers, operating in all 50 states and Canada. From this base, we provide a full complement of energy products — whether the goal is speed and flexibility for a manufacturer, sustainability for a healthcare provider, or risk reduction for a school district.

All of our energy solutions and services reflect the experience and stability of a Fortune 500 company and the efficiencies of scale created by the combined operations and expertise of our family of brands.

The benefits of ONE for your business

By bringing together in one retail provider the product offerings, services, tools, customer experience, people, and expertise that drive the NRG family of brands, we will be stronger and more capable than ever to inspire, empower and delight you, while delivering the right solutions for your business.

By focusing our strengths in one brand, we're giving you the power of:

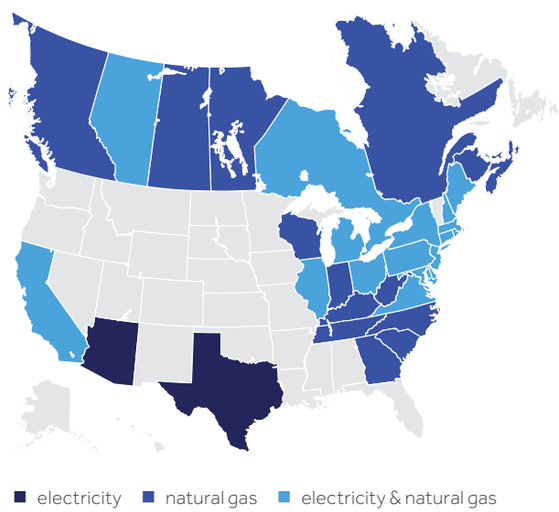

- More expertise
- Deeper insights
- Expanded product offerings
- Best-in-class service

Stronger and more capable than ever to deliver the right solutions for you.

Soon, our family of business brands — Direct Energy Business, Cirro, Green Mountain Energy, and Reliant — **will emerge as one: NRG**.

As a single company, NRG will provide you with a unified, cohesive energy approach built on leading-edge technology and superior support from our team of experts. The result will be a best-in-class experience.
